Dear Paul MacIntosh,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-290-WS - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,
Becky Latimer

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am unfortunately a current customer of Blue Grante Water Utility

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Not only are our rates the highest I have ever seen for water and sewer, they keep increasing. Where is this money going? Who is being held accountable and overseeing this utility company? How is it possible that they are 3-4 times more inefficient in providing clean water and disposing of sewage compared to any other water utility?

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

Sure, I could probably do that.
